Versatility applied to business: *less external dependency, more agility and greater autonomy.*

PROFILE

[View portfolio ↗](#)

I lead and drive marketing projects that connect *strategy, brand and business.*

Marketing Project Manager with B2B and B2C experience, specialised in end-to-end marketing project management. I coordinate strategy, planning, budget, suppliers and execution, working cross-functionally with sales teams, agencies and partners. I combine Brand Management, Market Intelligence and Sales Enablement to turn business needs into concrete, results-driven projects.

MY METHOD

EXPERIENCE

- Marketing Project Manager** Jul 2024 – Present
Casa Westfalia · Vulpellac, Catalonia
- Lead and manage end-to-end marketing projects: needs assessment, planning, execution, supplier coordination, follow-up and final delivery.
 - Manage and optimise the annual marketing budget, prioritising investments and resources according to commercial objectives.
 - Coordinate agencies, suppliers and external partners, ensuring quality, timelines, budget and alignment with project goals.
 - Analyse market, channels, pricing and competitors to generate insights and support commercial and marketing decisions.
 - Brand management: consistent visual identity, positioning and tone of voice across all touchpoints.
 - Develop Sales Enablement tools: sales pitches, catalogues, presentations, flyers and channel-specific materials.
 - Direct and produce B2B and B2C events (trade fairs, conventions and brand activations) as well as merchandising and point-of-sale projects, from concept to implementation.
 - Run internal and external communications with Mailchimp, Brevo and Outlook; adopt AI and digital tools to speed up content, analysis and planning.

- Marketing & Communications Manager** Oct 2022 – May 2024
Hostaljobs · Girona, Catalonia
- Annual B2B and B2C marketing strategy focused on acquiring companies and professionals.
 - Lead generation and positioning campaigns: expansion into Madrid and consolidation in Barcelona and Girona.
 - Led the rebranding project and its rollout across all touchpoints.
 - Social media and content strategy for the full funnel (landing pages, newsletters, articles, audiovisual) and WordPress website.

- IP Marketing** Jul 2021 – Oct 2022
Marketing agency · Girona, Catalonia
- **Head of Strategy · Growth Marketing Manager** May 2022 – Oct 2022
PROMOTED
 - Strategic marketing plans for 40+ companies across different sectors and business models.
 - Roadmaps, conversion funnels and action plans, continuously optimised against KPIs.
- **Key Account Marketing Manager** Jul 2021 – Jul 2022
 - Main point of contact between client and agency, managing B2B and B2C projects from start to finish.
 - Lead generation and content strategies for social media, Paid Media, blog, landing pages and newsletters.
